Set in two acres of beautifully landscaped gardens within Wilmslow's most exclusive residential neighbourhood, Kingsley Lodge is a magnificent "home from home" for the most discerning business or leisure traveller.

Upon arrival, you will be personally greeted by your hosts & within a few moments we will have you settled in your room.

Throughout Kingsley Lodge our inspirational interiors elegantly combine handcrafted antique and modern furniture, sumptuous upholstery and fabrics in rich natural tones, and many original works of art.

Equally important, are our magnificent gardens that encircle the Lodge and continuously delight our guests with a range of captivating views from every room within.

Kingsley Lodge has a small number of exquisitely designed bedrooms & suites.

All our guests are ensured an experience of complete exclusivity and the highest standards of thoughtful personalised service.

Our attention to detail ensures that your room will have everything you need; plus some thoughtful touches you might not be expecting.

Our beds are supremely comfortable - with crisp white Egyptian cotton linen and luxurious cushions and throws. Adjoining each bedroom is a pristine en-suite bathroom with smart contemporary fittings and some indulgent Molton Brown bath products.
